

INTERNATIONAL RESIDENCE RESEARCHERS

Ideally situated, the Research Residence is close to the town centre, between the Palais des Beaux-Arts and the Jean-Baptiste Lebas park. Local public transport nearby (15 mins from the train station by metro / 17 mins by foot to town centre), the residence continually welcomes residents alone or with family for short or long stays.

The International Research Residence contains 40 fully furnished and equipped apartments to enhance your arrival and work during your stay.

Each apartment proposes modern quality of comfort and is completely equipped.
